STATE OF JERUSALEM DOWN TO EARTH

R LA PAIX DE JÉRUSALEM

"Your work is a great hit.
Everyone loves it
and it has a beautiful message.
We are proud to have it
in the hotel!"

Ester Reichman,
Coordinator of interior design team
for the owners.

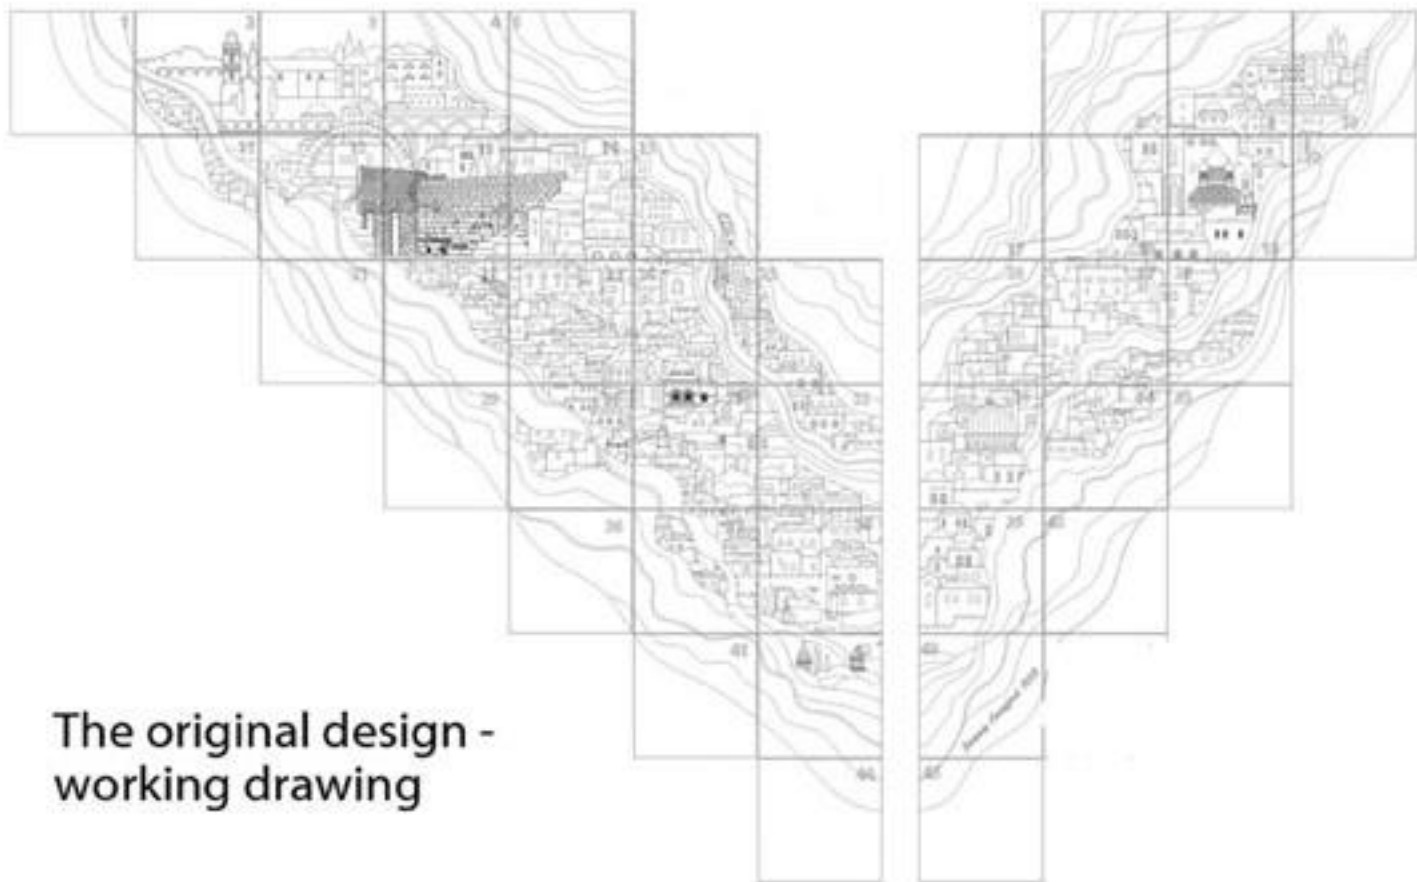

THE WORK PROCESS AND INSTALLATION

The original design -
working drawing

A photograph of Jeremy Langford, an older man with a white beard and a blue beret, standing in a museum gallery. He is wearing a blue shirt and a grey jacket, leaning on a wooden handrail. The background features a large wall with a grid of panels and several birds in flight. The text 'www.JeremyLangford.com' is overlaid on the image.
